Notes: Names are listed in the order they were drafted on Jan. 4, 2009. An asterisk (\*) indicates a keeper pick from the 2008 Death Pool and was selected before the draft. Hear the 2008 draft with this link: <http://www.coreyandjoelradio.com/Podcasts/coreyandjoelshow203.mp3>

The number in parentheses is the number of points the player will receive if the person dies on or after his or her birthday in 2009. This number the persons age subtracted from 100. For example, Dick Clark turns 80 in 2009. If he dies on or after his birthday, Amy receives 20 points (100-80 = 20). If he were to die before his birthday, he would be only 79 at his death and Corey would receive an extra point (100-79 = 21).
